

**JUDGE MITCH
CASH
COURT OF APPEALS**

I am writing to let you know of my candidacy for the Arkansas Court of Appeals, District 2, Position 2. I am running for this office because I feel that it is critically important that we have appeals judges with experience as trial lawyers, businessmen and trial judges. I have the experience we need on the Arkansas Court of Appeals.

As the District Court Judge for Searcy County, I have presided over hundreds of cases. Prior to being elected District Court Judge, I was a trial lawyer for over 10 years. I obtained my B.S. from the University of Arkansas, College of Agriculture and my Law Degree from the University of Arkansas School of Law. I currently serve on the Arkansas Continuing Legal Education Board of Directors and am a member of the Arkansas Cattlemen's Association, District Court Judge's Council, Rural Community Alliance, and the Arkansas Land Title Association.

My wife, Natalie, and I have been married 19 years and have three wonderful children: Olivia, age 16 Isaiah, age 14 and Ian age 11. Natalie and I were very proud this year to be chosen the Searcy County Farm Family of the year.

I have always been involved in business enterprises in addition to my law practice. Currently, in addition to being a District Judge and practicing law, I maintain a title insurance agency, a carwash, and a beef cattle operation. My diverse background and experience as a judge, lawyer and business owner helps me understand the problems faced by real people everyday.

I know personally the difficulties faced by small businesses and am committed to putting my experience to work for you on the Arkansas Court of Appeals. The law is the foundation on which we build our families, businesses and our hopes for the future. As your judge on the Arkansas Court of Appeals, I will work hard to keep a firm foundation of law on which you can depend. I am asking for your support.

Sincerely,

Judge Mitch Cash
